

## Admission Policy

Bhavan's Sri Ramakrishna Vidyalaya welcomes all applicants, regardless of religion, caste, sex or economic status. To maintain our quality of education, we regulate our class strength to a fixed number. It helps every student, to get individual attention he or she deserves.

### Curriculum

The school is affiliated to [Central Board of Secondary Education, New Delhi.](#)

**Admission into BHAVAN'S SRI RAMAKRISHNA VIDYALAYA is based on the following factors:**

- Admissions are Vacancy Based.
- Entry point is Lower Kinder Garten (LKG). The child should have developed considerable clarity of speech. Reasonable amount of eye co-ordination and motor sensory skills should have been developed.
- Vacancies in classes UKG - IX sometimes arise due to withdrawal by students at the end of the academic year.

**For admissions into class XI the following points are considered.**

- a) A candidate who seeks admission into Science stream should have 75 % in Class – X and Commerce stream should have 65 % in Class – X.
- b) Achievements/participation in Co-curricular areas such as NCC, sports /Games in state level & National level will also be considered.
- c) Photo copies of school report card of classes IX and X (Pre-Board) and Co-curricular certificates also to be submitted at the time of registration/ interaction.
- d) For those coming from Boards other than CBSE, the cut off will be 75% for admission to Science Stream and 65% for admission to Commerce Stream. (Photo copies of school report cards of classes IX and X are to be enclosed).

- Admission of the child is considered on the basis of child's previous class performance and an interaction with the parent & student.
- A selected and finalized list will be prepared and displayed in website.
- The parents of the selected students should submit the filled in admission form, original transfer certificate of previous school and copy of report card, birth certificate, Aadhar card along with paid fee challan in the school office within the stipulated time.
